bank doubles = stakes double

*BETFAIR, my commission 4% (depends on your turnover). Sometimes bets will go unmatched & you will miss some winners but the key to profit is beating the SP.

If any inspection is called don't bet | when wet don't bet | Don't bet plodders around gaffs | be very wary of maiden races, none have shown winning form & others can improve dramatically.

Put up Reverance & Madaares on 18/3/05 but my bets were unmatched on Betfair, this will happen occasionally midweek when I not at home.

I leave a bet in the morning at what I think are good odds, in this instance both went off odds on, one the other lost.

Put up Burning Incense on Wednesday 25/04/06, once again bet unmatched as it went off at odds on

Put up Final Verse on 25/05/06 but bet was unmatched, he won easily & is one to follow

Put up Cattus King on 24/6/06 but bet was unmatched as he went off odds on in a handicap!

Put Dodge City & Old Romney on 16/08/06 both went off at odds on & my bets were unmatched on Betfair

Put up 2 on 5/10 the evening before racing but due to the amount of rain overnight at York I removed them first thing as I was n't going to bet them
